

# *Create Your Own Marbled Silk Scarves*

---

Create your own beautiful 11 x 60 silk scarves. The technique is marbling. You choose the colors, sprinkle them on to the medium, comb them into a pretty pattern and dip the raw silk into it. It's that easy!

We have the supplies and equipment—you supply the creativity. Only \$13 per scarf to make your own. \$25 for a pre-made scarf..

Join us at the College of Leonard (the back room of The Kaleidoscope Factory) in downtown Pomeroy. Reservations required.
